Carla Nager was born and raised in Long Beach, Long Island where everyone she knows is 2 degrees of separation from Billy Crystal. She has been performing for over three decades at New York establishments such as The Comic Strip Live, and The Peoples Improv Theater among others. Her autobiographical show, The Carla Show, combined original music, classic sketches, and hip hop and she she got "jiggy with it" to sold-out houses every night. Her proudest accomplishment is her family.
